Our People

Lisa and Barbara have been introduced briefly in our 1st Newsletter; however, they both deserve an encyclopedia size mentions... It is time to circle back... Lisa pours her heart into care of each dog at the rescue and works tirelessly. No task too small or too large at the shelter, and the tough work takes physical and emotional toll on the caring heart. Rarely in a pictures, as dogs take the spotlight, yet glimpse of pure love for each dog is evident with a tender touch.

Barbara is the puppy whisperer and spends countless hours caring for the fragile ones... Some pull through, while others are showered with bottomless tears as they cross the rainbow bridge. World is a better place with you both in it, and if dogs could talk, they would say:

THANK YOU AND WE LOVE YOU!

- 🦷 I am a Mix Breed boy.
- 🦷 I am gentle, and a little shy.
- 🦷 I am very loving and sweet.
- 🦷 I love to go for a walk.
- 🦷 When I look into your eyes – you will melt.
- 🦷 I smile all the time, but I seem to be invisible (?!).

Zeus – “Angels and Demons”

I have lived with a demon who abused me severely for years. He did things to me I am trying to forget... Brave group of angels confronted him after the video of abuse circulated the digital world. I am now at Sula rescue and getting help from Roy who is AWESOME! At 9-year-old I have lots of life left to live!

Please do not cry for me, but if you can foster, sponsor or adopt me.
Love, Zeus.
