Our People

Meet our amazing veterinarian Paloma.

We count ourselves incredibly lucky to have Paloma Cortes as our amazing vet. Her fantastic team: Carlos and Isabel care for all Sula dogs with outmost love and compassion. Not only Paloma comes to our shelter, but also receives our dogs at her clinic in Puerto Vallarta. The veterinary team supports our dogs with professionalism, and empathy. We are very grateful for everything you do for us and dogs in our care!

Thank you!

Teddy's Purpose

As Dalai Lama said: "Our prime purpose in this life is to help others. And if you can't help them, at least don't hurt them."

[Memory Wall Tile](#)

Memory Wall

- ♥ Little Teddy has touched many hearts in his short life. Despite the best of care received at the veterinary clinic and hope shared by people who read his story Teddy's life has ended far too early...
- ♥ The Sula Society created a Memory Wall to remember the dogs we all lost and celebrate the ones still with us. First tile on the wall is dedicated to Teddy's memory, and we hope the world will join us in our mission to "Save unloved lovable animals." Each wall tile will be placed on a wall at the shelter and virtual wall on our website. Certificate of the tile will be presented for each [TILE](#) purchased (\$75 USD or \$100 CAD), and funds will be used for dogs in our care.

Thank you for your continued support.

Dog of the Month – Anita

- ♥ 5 years old (22/08/2024)
- ♥ Mexi Mix – I am a girl.
- ♥ I am a lovable introvert.
- ♥ As Susan Cain said: "Everyone shines, given the right lighting."
- ♥ It takes me time to warm up to new people, but I am worth your patience.
- ♥ Once I come out of my shell, I am a snuggly sweetheart.

Rescue Math

Lucia's Journey

- ♥ Lucia is one of 4 lucky moms rescued just in time to give birth at Sula Rescue. Proud mom of 5 adorable puppies was very cautious at first to let anyone near her little ones.
- ♥ Once Lucia felt safe her wonderful personality started to shine through. Not only she is a wonderful mom, but a sweet dog.
- ♥ Rescue math: 1 = 6. Six dogs off the streets and looking for their forever homes.
