Our People

Meet our amazing senior volunteer – Cindy.

Cindy is a foster dog-mom and puppy whisperer. Cindy's loving hands nurture the most vulnerable of all, the puppies of all sizes. As the little heartbeats enter this world or are rescued, they are met with Cindy's love, kindness and patience. She looks after the little ones, makes sure they eat, stay clean, safe and healthy. She supervises everyone and ensures they have puppy vaccines, and deworming with no issues.

Puppies learn about the world through Cindy's loving eyes. The shenanigans are met with laughter, and love. Cindy, we could not do it without you!

Thank you for being part of
The Sula Family.

Christmas Time

Christmas means for many people time spent with family, gift giving, and abundance of food. While some are busy making perogies, or decorating cookies, others choose to order Chinese food. Perhaps quiet time, good book and snuggled dog mean time of peace and reflection.

Consider the gift of donation to The Sula Society in the name of your special person. You will receive the Christmas Donation Certificate and support Sula's rescued dogs.
