Our People

Meet our amazing senior volunteer - Kathy.

Kathy has started with Sula as a flight angel and now she is our flight coordinator, foster parent, humanitarian aid letter guru and much more. She and her family are very busy helping Sula. Kathy coordinates donations, suitcases, and kennels to and from Puerto Vallarta. We would be lost without her. To top it all - Kathy and her family are the adopters of one of Sula's rescues - Gavino. Truly there is no enough room to list everything Kathy and her family do for Sula and the dogs. The countless hours on the phone booking flights need a category of their own.

We are so lucky to have you on our team!

Thank you!

Subscribe to Save Lives - Cost: One Cup of Coffee a Month

The Sula Society has entered new world of Facebook subscription. Your viewings of our posts, shares and social media activity brought this exciting change that allows us to expand our fundraising efforts. Through 99 pesos a month subscription (cost of one cup of coffee) you can make a monthly difference in rescued dogs' lives.

The times our tough, the funds coming from our beloved supporters do not stretch as far since strong peso affects the exchange rate. Furthermore, the inflation adds to over 20% decrease in our money. Even the smallest of amounts makes a big difference!

THANK YOU

As Howard Zinn says:

"We don't have to engage in grand, heroic actions to participate in the process of change. Small acts, when multiplied by millions of people, can transform the world."

Dog of the Month - Arthur

- ✓ 2.5 years old (16/05/2024).
- ✓ I am a Terrier Mix sweetheart.
- ✓ I love kids, all people and other dogs.
- ✓ I am overlooked all the time... Is it because I weigh 40 lbs?
- ✓ My hobbies include playing in the river, walks and quiet time full of snuggles.
- ✓ My heart is open, and I hope to find my person or people.

My Name is Mungi, and I Approve this Message

- ✓ I have been rescued by a politician and living at the rescue for some time now... I have an old break in my right front leg that has caused a deformity. It does not cause me any pain or discomfort and I am loving life every day.
- ✓ I look like I prance when I play - I love water and fetching. I am a tall boy, 40 lbs, and I am 3.5 years old. I would love to find my forever home. Quiet dog friend would be welcomed.
